Greetings,

My name is Chris Haines and I am chairman of the **Dayton Christian Marching Warriors Uniform Drive**. We are seeking sponsorship from supportive community members like you in order to purchase, for the first time in the school's history, marching band uniforms. We would like to ask you to consider lending your financial support to help us reach our uniform drive goal.

Dayton Christian has tried to put together a marching band over the years, but recently has stepped up its efforts in the past five years. In the past two years, we have developed a program that has seen the student involvement grow from 25 members to nearly **60 Marching Warrior band members**. In addition, we have been able to perform pregame and halftime shows for all the home games. We also had the privilege of represent Dayton Christian along with our successful football team lead by Coach Ken Moyer in last year's playoffs against Lima Central Catholic. We enjoyed playing beside the Lima Central Catholic High School Marching in their very sharp looking uniforms.

We have been marching in street clothes for the past five years with only matching short sleeve shirts, the **Marching Warriors** have performed in heat, cold, rain and even snow. These performances in combination with representing our school in the local community and beyond has exposed our urgent need to provide uniforms for the students. Here's where we could use your help.

**Our goal is to raise \$36,000 – We need your help with donations!**

- We need **70 uniforms**, including coats, pants, cross belts, hats, plumes, breast plate, buckles, spats and protective garment bags.
- For your donation of \$500 you would be able to **"Adopt-a-Uniform"** and have you or your company's name embroidered inside the jacket and receive a thank you note from the student in the band who would benefit from your donation.
- For your \$1000 donation you would become a **"Gold Plume Benefactor"** and with your permission be listed on our donors list along with receiving a Gold Plume Trophy engraved with your name. In addition, we would be happy to send a mini pep band to your front yard for a rousing 15 minute performance of your favorite Marching Warriors tunes!
- For your \$2,500 donation your company would become a **"Gold Plume Corporate Sponsor"** and your company would be listed in our Warriors football program, your company name embroidered inside five uniforms, and we would be happy to provide you with an outstanding performance by one of our elite pep, swing, or jazz bands!

We appreciate your time and consideration of the uniform drive and of course any donation brings us closer to the goal of getting the first ever uniforms for the **Marching Warriors**. Please contact me if you have any questions.

*Sincerely,*
